

Project Home Volunteer Questionnaire

Thank you for your interest in joining our support team network for asylum seekers coming to the Monadnock Region. The first step in this process is to fill out this brief questionnaire and to provide as references the names of two people who know you. After you fill out and send in this questionnaire, you will be contacted for next steps, which include an on-line or in-person conversation with our Project Home volunteer coordinator.

As you can imagine, supporting an asylum seeker is work we take on with care and thoughtfulness. We want to offer confidentiality and safety through all aspects of our support to the asylum seeker, including a process to vet our support team members. Thank you for your patience with this process.
