

Project Home Volunteer Questionnaire

Thank you for your interest in joining our support team network for asylum seekers coming to the Monadnock Region. The first step in this process is to fill out this brief questionnaire and to offer us two names of people who know you, as references. After you fill out and hand in this questionnaire, you will be contacted for next steps which includes an in-person conversation with one of our Project Home core team members.

As you can imagine, supporting an asylum seeker is work we take on with care and thoughtfulness. We want to offer confidentiality and safety through all aspects of our support to the asylum seeker, which includes a process to vet our support team members. Thank you for your patience with this process.
